

“Our home is much more comfortable now. Insulating the attic and walls made a big difference.”

– Greg & Georgiana, homeowners

SAVE THE DATE!

San Carlos Community Event:
Home Energy Upgrades

Date: **Wednesday, May 22, 2013**

Time: **6:00 – 7:30 p.m.**

Location: **San Carlos Library**
7265 Jackson Dr.
San Diego, CA 92119

Join your San Carlos neighbors at a free community event to learn about home energy efficiency. Meet home performance experts, learn about Energy Upgrade California and **take advantage of rebates between \$1,000 and \$4,500.**

Energy Upgrade California is the smart way to make your home more efficient and comfortable in all seasons, for all the right reasons:

-  **Comfort** — Reduce drafts and maintain consistent indoor temperatures with air sealing and insulation
-  **Health** — Improve indoor air quality by sealing out harmful dust, mold and allergens
-  **Safety** — Eliminate safety concerns associated with gas-burning appliances
-  **Savings** — Lower your energy bills and take advantage of rebates between \$1,000 and \$4,500

**Bring this mailer to the free event to
schedule a \$49 energy assessment.**

(Typical assessment cost: \$250)

Ready for the **heat?**

Keep your **San Carlos home**

cool this summer with Energy Upgrade California[™].
